

Rockets Launched from Gaza into Israel *

1 January 2001 - 26 June 2018

Graph uses daily averages per year (2001-2007); daily averages per month (2008); and daily averages per week (after 2008) based on available data.
 * Includes rockets, mortars, and interceptions by the Iron Dome system but not rockets that misfired and landed in the Gaza Strip.
